

Ohio Valley Chapter of the Society of Cosmetic Chemists

September Meeting Information

Wednesday September 15th, 2010

This month's topic:

**Celebrity Hair Stylist, Nick Arrojo, presents:
"Using Beauty & Grooming to Transform Lives
and Find Success in the Personal Care Industry"**

**Location: Newport Aquarium (Riverside Room)
One Levee Way
Newport, KY 41071
859-261-7444**

**Times: 5:00 – 6:00 pm Cocktail Hour
6:00 – 7:00 pm Dinner
7:00 – 8:30 pm Speaker**

Registration Information

Please register by 09/10/10

Members	\$45/\$55 at the door
Non-members	\$60/\$70 at the door
Students	Free

*** Easy registration & payment at www.ovscc.org ***

Abstract: Nick Arrojo has carved out a niche in the hair and beauty industry as one of the leading salon entrepreneurs, educators and product innovators. His eponymous product line, launched in 2007, has grown from 12 to 28 SKUs, including an offshoot in skin and body care. ARROJO product is now sold in more than 30 salons across the US and continues its upward trend by driving innovation in the hair care industry. Join Nick as he speaks about his formula for success and the power of beauty products to effect positive change by helping people look and feel beautiful."

About the Speaker: Nick Arrojo is a celebrity hair stylist based in the West Village neighborhood of New York City. Born in Manchester, England, Arrojo worked as a stylist for Vidal Sassoon, Wella International, and Bumble & Bumble salons before starting the Arrojo Studio in 2001. Arrojo Studio encompasses two major business units; Arrojo Education and Arrojo Product. Nick is most famously known for his seven year role as the hairstylist on TLC's ***What Not to Wear***. He recently released his own product line, Arrojo, and is currently working on several how-to books. He was also involved with Wella's "Trend Vision 2006" project. Some of Arrojo's celebrity clients include supermodels Melissa Keller, Yamila Diaz, and Karen Ferrari; actors Minnie Driver and Liev Schreiber; musicians Bryan Adams and Bernard Sumner and British comedian and performer Victoria Wood. Arrojo also taught the art of hair coloring to *Queer Eye for the Straight Guy's* Kyan Douglas.

Welcome to the second half of the OVSCC 2010 season! We have some exciting things planned for the remainder of the year, starting with the September 15th chapter meeting at the Newport Aquarium. Reality TV star and celebrity hair stylist Nick Arrojo from TLC's popular show "What Not To Wear" will be flying into town to talk about his first-hand experience with transforming people's lives through the use of personal care products. He will also talk about his career and how he has found success in the personal care industry.

In honor of Nick's visit to Cincinnati, this meeting will be held in the Riverside Room at the Newport Aquarium (it's the same room we had the 2008 Fall Symposium in), which has a grand view of the city skyline. We will also be serving up some fantastic food and providing an open bar, sponsored by our friends at **Grant Industries** and **Glenn Corporation**, for everyone to enjoy. To make the most out of this event, I am working with some of my P&G colleagues to coordinate media exposure for the meeting, the chapter and the Society as a whole. We will also be sending out invitations to some of the top salons and cosmetology schools in the Tri-State to attend the meeting and learn more about us. In addition, we are inviting magazine editors from some of the biggest names in our industry to be part of the event and provide even more exposure for the OVSCC. This will be one of the biggest events in the history of the chapter and as such should not be missed! If you haven't been to a chapter meeting in a while, this is the one to be a part of.

Three weeks later on Tuesday, October 5th, we will be holding our annual Golf Outing to raise funds for the chapter and our education programs. Over the past four years, we've been able to surpass our financial and attendance goals for this event and as a result, the total assets for our chapter have increased by 40%! It is because of the success of the golf outing over the past few years that we are in a position to bring in prominent speakers like Nick for the education and benefit of the chapter and its members. Jim Staudigel has taken over the organization of the golf outing this year from our Secretary and Web Mistress, Julie Moser. Golfers will be needed to help fill in some of the foursomes being sponsored by our gracious and supportive suppliers. Since this event is a scramble format, golfers of all skill levels are welcome to come out and enjoy the fun, food and camaraderie. We are also now seeking hole sponsorships. If you're interested in either attending or sponsoring a hole, contact Jim (Staudigel.ja@pg.com) or any of the other Board members.

Finally, on November 17th, we will hold our traditional "UC Presents..." student presentation program. This is an annual opportunity for the graduate students in the UC Cosmetic Sciences program to talk about their work and for our members to learn about the latest research. This is also a competition, with the student who is judged to have the best presentation of the night winning the top prize of \$100. We will also be installing the chapter officers and passing on the Sword of Office to the 2011 Chair, Sue Griffiths-Brophy.

Speaking of elections, we are currently seeking individuals who are General Members of the chapter to run for Chair-Elect, Treasurer and Secretary for 2011. Nominations must be submitted to National by September 15th to confirm eligibility to run for office and to allow time for the ballots to be printed and mailed out. You must fill out and return your ballots by October 29th to be counted. I look forward to seeing you on Wednesday, September 15th at the Newport Aquarium.

Ken Kyte

ANNOUNCING THE MEMBERSHIP AMNESTY PROGRAM FOR 2010

To mark the Society's 65th Anniversary, the Board of Directors voted to grant amnesty to those former SCC members, who were dropped from the Society for non payment of dues. As you know, Society policy for dropped members requires that the individual pay dues for the year in which they were dropped, and the current year dues in order to be reinstated. For 2010 only, dropped members can be reinstated simply by paying 2010 dues.

IFSCC Magazine Is Going Digital - Action Required

The IFSCC will discontinue automatic distribution of paper copies of their magazine at the end of this year. IFSCC Magazine is now digital, with a complete archive of issues starting in 2000. Scientific and editorial content will be accessible faster, and news and announcements will be more timely by going digital. This journal is included with membership in IFSCC and SCC, but you must go online to provide your email address and sign up to continue receiving the journal as a digital copy. Registration is free to SCC members.

You must take action on which format you want! Either subscribe to the digital issue online (www.ifscm-magazine.com) or inform the publisher VCI (senicky@sofw.com) that you still want a paper copy, which you will then receive as usual. Don't miss out on IFSCC news in 2010!

Message from the National Treasurer of the Society of Cosmetic Chemists –

Greetings!! As I am mid-way through my FOURTH year as National Treasurer (and seventh year on the Board of Directors), I am encouraged by the progress ALL of the Chapters in our Society have recently made. Some of the highlights include:

- Remembering that we are first and foremost a SCIENTIFIC organization, our Society continues to succeed due to the strong technical content presented at both the national and local levels. There has been great communication between Chapters identifying high-quality speakers and presentations, and these speakers have been very accommodating in giving presentations at multiple Chapters.
- Our Chapters are financially healthier now than at any time in recent history. This means that Chapters have more flexibility in planning activities, including subsidizing costs for meetings (or even have free meetings for their membership).
- Participation from our younger members appears to be increasing. I am seeing many new faces at national meetings, in elected and non-elected SCC Board positions, and even appearing on podiums giving presentations. This is vital to the health of any organization, and the SCC is no exception. Whether you are a General member or National Affiliate – there are always ways you can help your local Chapter!

However, due to our past successes, there are some opportunities for improvement:

- Attendance for our Annual Scientific Seminar (commonly referred to as the Mid-year meeting) continues to fall short of expectations. The current approach of having each "Area" for the SCC host this meeting starts this June 3-4 in Long Island. I strongly encourage all SCC members to consider attending this seminar, which has an excellent line-up of topics and speakers. For details, check out our website: www.scconline.org.
- Attendance at LOCAL Chapter meetings continues to be an area of concern. Chapters are becoming more creative in trying to address this concern: some are changing evening meetings to lunch meetings, while others are picking venues that are more appealing to their membership. We have seen some success from these different approaches. The best way to success is keeping the quality of the presentations at a high standard. And, as a former SCC President always said: "Science Continues at the Company!" We hope that attendance at both local and national meetings translates to success at the "bench," which will lead to continued corporate support.

That being said, in the recent struggling economy, our Society continues to thrive! Our membership numbers continue to grow, and the science shared at all levels is stronger than ever. As a "volunteer" organization, I am amazed at how many I see spending their own "free" time (and money) to contribute to the success of the SCC, and this, above everything else, is really what makes our Society what it is.

In short, I am extremely optimistic about the direction the Society of Cosmetic Chemists, and our industry as a whole, is taking.

Best regards to all,
Christopher Heisig, Ph.D.
SCC National Treasurer

OVSCC Annual Golf Outing

The Annual **OVSCC Golf outing** is planned for **October 5th, 2010** at The Twin Oaks Golf and Plantation Club in Covington, Kentucky.

We would like to encourage all suppliers to help support this worthy cause.

All profits go to the OVSCC Education Fund. This fund was set up to heavily subsidize continuing education to all of our members. In the past, this money has allowed us to bring in CEP courses that have been very inexpensive or free. Without your support we run the risk of not having enough money to continue this effort or grow it in even more ways and give low cost knowledge transfer to our membership.

Soooo... The Ohio Valley SCC would like to invite you to support the Annual Educational Scholarship Golf outing. Please contact Jim Staudigel to sponsor a hole, sand trap, ball washing station... heck, you name it and Jim put your logo on it. Check out the links below for more information on sponsorships and how to easily pay through PayPal via a credit card! Please don't make Jim have to call you and beg as he is a very busy man with lots of work and family responsibilities and was tricked into this "opportunity" by the rest of the lazy OVSCC board members.

2010 OVSCC GOLF OUTING DETAILS

12th Annual OVSCC Education Scholarship Golf Outing @ Twin Oaks Golf & Plantation Club - KY

Date: Tuesday - October 5th, 2010

Time: Shotgun start @ 10:30am

Registration to start at 9am.

Please contact Jim for any questions, sponsorships and reservations by Sept 26th at **(513) 626-1812** or staudigel.ja@pg.com

You can also **easily register online** through the PayPal link on our website:

<http://ovsc.org/golfouting.html>

Hole Sponsorships: \$150 + 2 dozen golf balls.

Cost to Play: \$100/per person which includes:

- 18 holes green fees and cart fees
- Lunch ticket (choice of sandwich & chips)
- Draft Beer, Unlimited Sodas & Bottled Water
- Chips & Pretzels
- After golf the fabulous **Back 9 BBQ Buffet**

Please support our gracious sponsors!
